Problem Solving
Responsive Web Design
Team Collaboration
Agile & Sprint-based Development

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React.js, Next.js
Backend: Node.js, Express.js, REST APIs, JWT Authentication
Database: MongoDB, SQL
DevOps & Tools: Git, GitHub, Postman, Stripe, Render, Vercel

EXPERIENCE

MERN Stack Developer Intern

Doomshell Softwares Pvt Ltd, Jaipur

(June 2025 – Present)

- Developed and deployed full-stack web apps using **MongoDB, Express.js, React.js, Node.js (MERN stack)**, improving performance and maintainability.
- Delivered **2 live projects (EduVertas, DryMate)** with secure authentication, RESTful APIs, and responsive UI, achieving **20% faster user onboarding**.
- Collaborated in **Agile teams** (sprint planning, stand-ups, iterative releases), reduced development cycle time by 15%.
- Supported **code reviews, debugging, and feature enhancements**, ensuring clean, scalable, high-quality code.

PROJECTS

EduVertas – Learning Management Platform

- Developed a full-stack education platform for managing online courses, memberships, and student records.
- Built secure student registration & login with email validation, course/package-based video access, and fee & attendance tracking.
- Implemented document upload for students and a robust admin panel to manage courses, memberships, staff, enquiries, banners, FAQs, and content.
- Tech: MERN Stack (MongoDB, Express.js, React.js, Node.js)**

DryMate – Organic Farming Site

- Built a full-stack web platform to showcase and sell organic Mushroom Products.
- Users can register for farming training sessions. Includes an admin panel for managing products, orders, and content updates.
- Tech:** Node.js, Express.js, Next.js, Stripe, MongoDB

E-commerce Web App

- Developed a full-stack responsive shopping platform with secure user authentication, product catalog, cart, wishlist, and integrated payment gateway.
- Built features for product browsing, order placement, and customer account management with real-time updates.
- Implemented an admin dashboard for product CRUD operations, order tracking, inventory management, and user role-based access control.
- Tech:** Node.js, Express.js, Next.js, Stripe, MongoDB

EDUCATION

Master of Computer Applications (MCA), SGVU, Jaipur, Rajasthan

B.Sc., SKN University, Jobner, Rajasthan

CERTIFICATION

MERN Stack Development Certification, DAAC, Jaipur, Rajasthan

LANGUAGES

Hindi, English
